Of The Ankenytown W. C. T. U. Held February 13

Ankenytown, O., Feb. 19.—The Ankenytown W. C. T. U. held a very enthusiastic meeting in the home of S. M. Garber, Thursday, Feb. 13. It was an all day social and devotional meeting and at an early hour the ladies began to arrive with baskets filled with the necessities as well as the sweets that go to make up what is considered a good dinner.

At 1:30 Miss Flora Farquhar called the ladies to the reception room where a very interesting program was rendered consisting of songs, speeches, papers, etc. Mrs. Turvey of Leveering was present and gave a very interesting report of the International meeting held at Columbus recently. Mrs. Turvey was full of her subject and received a hearty applause at the close of her report. The only gentleman present was called on for a speech and he told his experience in getting signatures for a congressional petition which was quite encouraging. The different department superintendents gave some enthusiastic reports.

The white ribbon was placed on two active members and one honorary member which adds three more to the ranks.

The meeting then adjourned to meet the first Thursday in March at the home of Mrs. C. R. Beal at Ankenytown with Mrs. Olive Walker as leader.

KNOCKED

Unconscious By Thug And Robbed Of Everything

Knox County Man Has Thrilling Time In Columbus

And Is Now In A Hospital In That City

Buckeye City, O., Feb. 19.—J. R. Shumaker of this place had an adventure in Columbus Monday evening of a very undesirable nature. He was assaulted in an alley, was knocked unconscious by a thug and was robbed of nearly everything of value that was on his person at the time. He was in St. Francis' hospital Columbus, Tuesday, recovering from his beating sustained at the hands of the hold-up man.

Mr. Shumaker went to Columbus Monday evening on business. He entered a store after reaching there and sought information concerning another store from a stranger who was standing inside. The stranger said that he could not explain without difficulty, but that he was going that way. The two set out and while passing through an alley at the rear of the Columbus Club the stranger suddenly fell behind and jerked a wooden picket from a picket fence. With this weapon he struck Shumaker a blow on the head and felled him to the pavement. He then proceeded to beat his fallen victim. Mr. Shumaker says that he did not lose consciousness immediately but realized that the man was searching his pockets but was unable to put up a defense. He was found at 1 o'clock Tuesday morning by a policeman who had him sent to the hospital where he soon recovered. His injuries are not serious.

CUT OFF

Was A Boy's Leg In Fall From A Train

(Mansfield News)

While trying to beat his way on the blind baggage from Mansfield to Crestline on the Pennsylvania mail train No. 49, due in Mansfield at 11:05 o'clock Monday evening, Vern Armstrong, a 17-year-old youth, whose home is at Canton, fell beneath the wheels of the train and had his left leg so badly mangled that it was necessary to amputate it above the knee.

It seems that young Armstrong and his brother who are orphans, had come here from Canton with the intention of working on Pennsylvania lines. The young men were told to go to Crestline, that they could probably secure work there on the railroad. They were about the depot earlier in the evening and then tried to ride the blind baggage on the fast mail train. The young men got on the train just as it was pulling out of the union depot.

As he was climbing over the slippery rods of the car, the younger brother slipped and fell beneath the train. His left leg lay across the rail in such a manner that it was badly crushed and mangled near the knee. His brother came to his assistance and with the aid of several other men about the depot, the injured youth was carried into the Pennsylvania baggage room. Niman's ambulance was called and the young man removed to the Emergency hospital.

It was found that the leg was in such a condition that it was necessary to amputate it above the knee. The young man suffered greatly from loss of blood and his condition is serious. The brother, who was here during the night, went on to Crestline this morning and expects to secure employment there.
